What Do I Need To Prepare?

- It is recommended for patient to fast at least 8-10 hours prior to the health screening. Sips of plain water may be consumed if thirsty.
- All routine medication (except anti-hypertensive drugs) should be postponed until your blood sample is taken.
- For patients who have decided to take the Stress Test (Treadmill ECG), put on comfortable outfit and a pair of sport shoes.
- Ladies who are going for mammogram are advised to avoid using deodorant and talcum powder.

What Do I Need To Bring Along?

- Morning medication (that you can take after completing the tests), especially for diabetic patients.
- Personal ID card or passport.
- Previous Medical Report if there is (eg. X-Ray Films/MRI/CT Scan & Blood Result) for comparison.
- If you are covered by employer medical benefits, please bring the authorisation letter.
- Glasses for your vision test.
